## INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying statement of assets and liabilities arising from cash transactions of

JERRY A. WOLFE  
GENERAL RECEIVER OF THE CIRCUIT COURT  
of the  
COUNTY OF WASHINGTON

as of June 30, 2003, and the related statement of cash receipts and disbursements for the period July 1, 2002 through June 30, 2003. All records supporting these financial statements are the responsibility of the General Receiver. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements have been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and liabilities arising from cash transactions of the General Receiver of the Circuit Court of the County of

Washington as of June 30, 2003, and the cash receipts and disbursements for the period July 1, 2002 through June 30, 2003, on the basis of accounting described in Note 1.
